About Hughes Health & Rehabilitation:

Hughes Health and Rehabilitation is a nationally recognized skilled nursing facility dedicated to providing quality care for those with chronic illness, as well as those needing convalescence and rehabilitation.

Our facility, located at 29 Highland Street, has been part of the West Hartford community since 1961. Today, we continue to provide an environment conducive to our residents' recovery.

Hughes Health employees are a devoted group of trained and dedicated nursing, rehabilitation and medical professionals, and support staff. We care for our residents and each other.
